9:30 a.m. until 9:00 p.m. The outstanding feature of the show will be a 30-inch by 16-foot panorama showing the various kinds of rocks, when and how they were formed, and will include a sample of each kind of rock.

Also featured will be display cases of rocks, gems, minerals and fossils provided by club member from their personal collections.

On Friday and Saturday, September 22 and 23, "working demonstrations" including rock cutting, gem faceting, cabochon making and various methods of polishing will indicate what can be done with these rock and gem specimens.

Members of the Dothan Gem and Mineral Club will be on hand at all times to answer questions and provide guided lectures. Everyone is cordially invited to come by and talk with a "rock-hound" about the wonderful world of rocks. minerals and fossils. Middle school and high school teachers are urged to bring their appropriate classes for this very informative educational display

An Alumni Leadership Scholarship has been awarded to Samuel Claude Collier, a graduate of Elba High School. The National Alumni Association began the Alumni Honors Scholarship Program in 1968 to honor high school students who have shown outstanding academic achievement. The scholarship totals \$2,000 --\$500 a year for four years. Funding for the program is now over \$50,000.

Two other scholarship programs sponsored by The University of Alabama National Alumni Association are the Alumni Leadership Scholarship which is awarded to high school students with demonstra ated leadership ability, and the Junior College Alumni Honors Scholarship, which goes to those outstanding junior college students who wish to transfer to

Funding for the three programs totals more than \$77,000.
